## California Education Code and Title 22 and Title 5 Regulations

All licensed programs in the state of California must comply with all relevant California Education Codes and California Code of Regulations. EveryChild California currently has available all Child Care Education Codes and Title 5 regulations on one convenient USB drive, and the Title 22 regulations on a separate USB drive available for purchase.

All USB drives have easy to read reference sections, keyword searchable and tables of contents.

The USB drives are available for purchase for \$40 each for EveryChild California Members and \$75 for non-members, and will be mailed to your agency. We are also offering 2-years of updates for \$35.00 for Members and \$60.00 for Non-Members. Updated USB drives will be sent out each year.
